# *The Latimer Bicycle*

Tuesday, February 5

6:30 p.m.

Huntley Park District Multipurpose Room

Cosman Center, 12015 Mill Street

**Open to the Public, Free**

*A Unique Bicycle Invented in Huntley*

Come and explore the history of a rare and unusual bicycle invented in Huntley in 1897 by the Latimer brothers. See one of only two Latimer bikes still in existence and learn how the innovative brothers developed and patented their velocipede and related accessories.

Presenters:

**Grant Jahr:** President, Sun City Bicycle Club

**Nancy Bacheller:** Local History Department,  
Huntley Area Public Library

**Tom Conley:** owner of a Latimer Bicycle
